KEEP ON
STREAKIN'

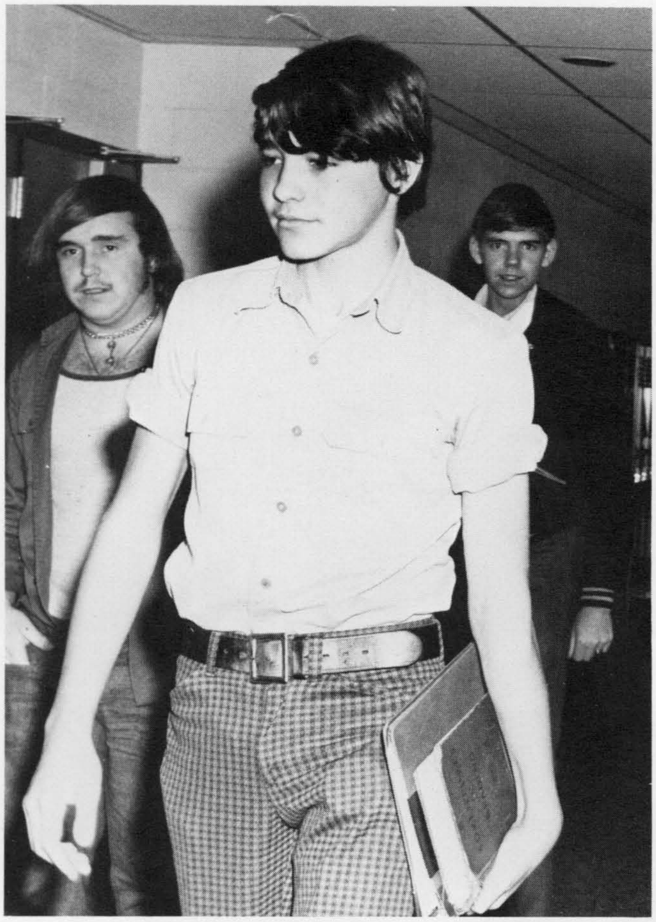

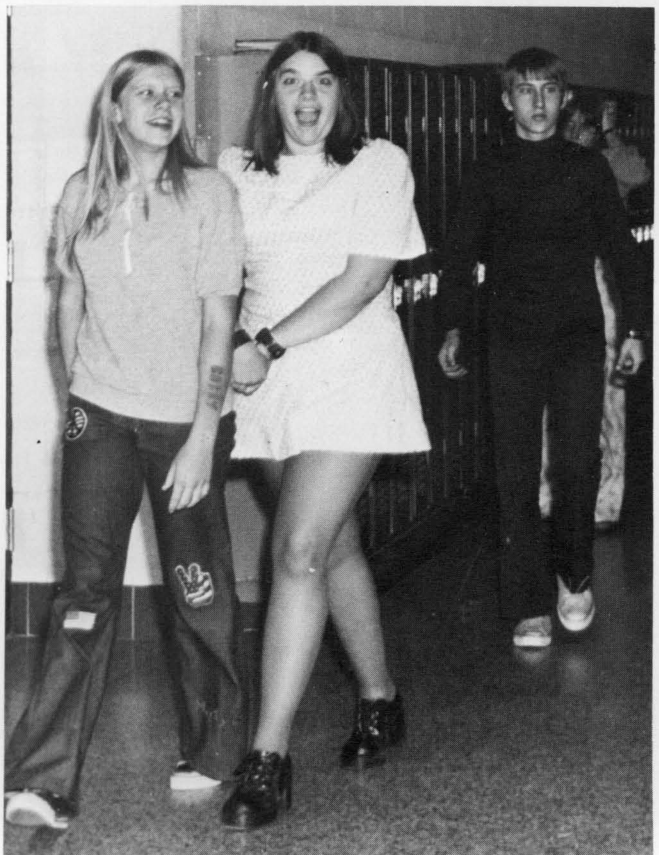

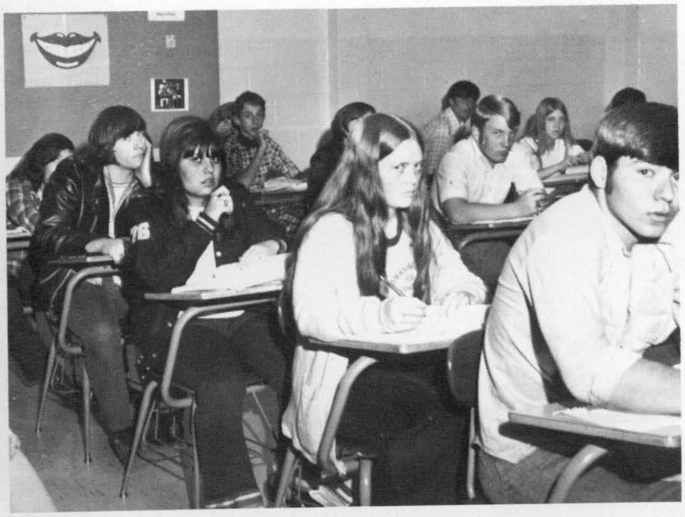

The present contains nothing more than the past. . . Henri Bergson

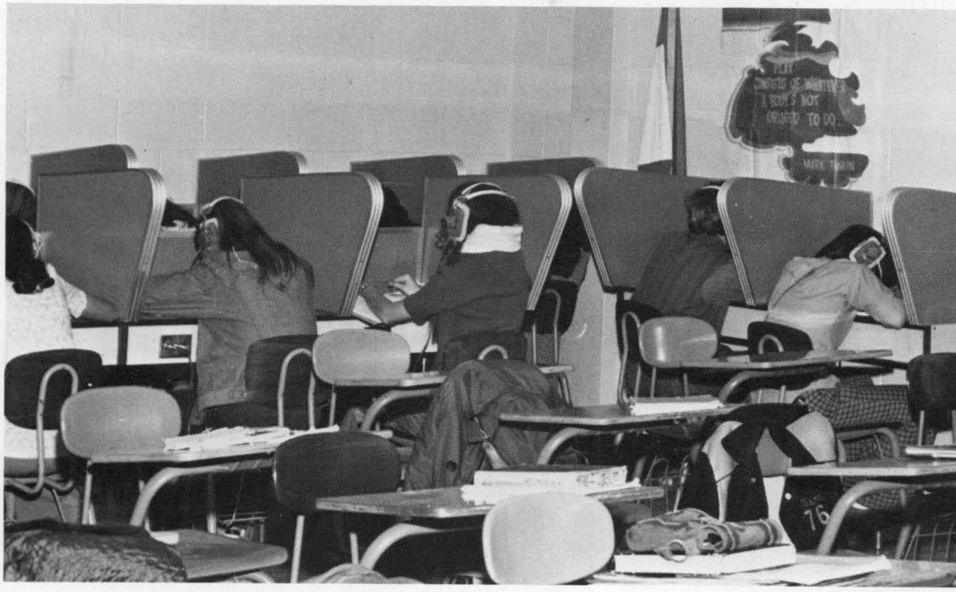

There are all those early memories; one cannot get another set; one has only those.
Cather

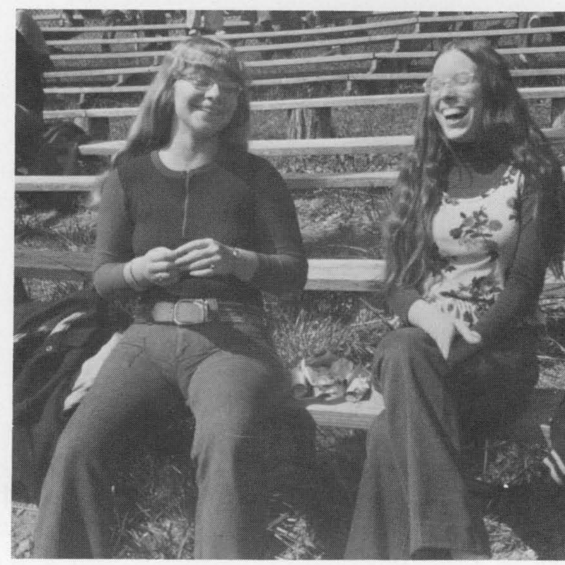

We should all be concerned about the future because we will have to spend the rest of our lives there.

Kettering

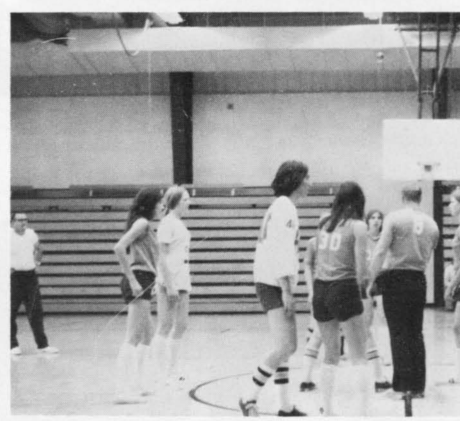

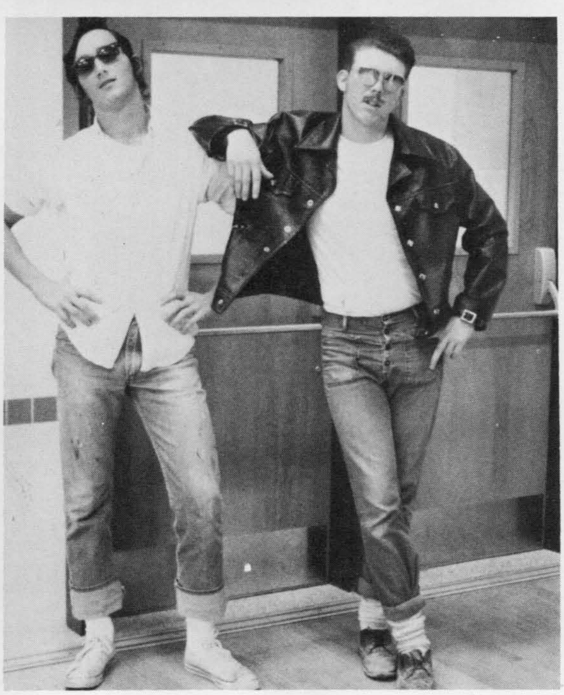

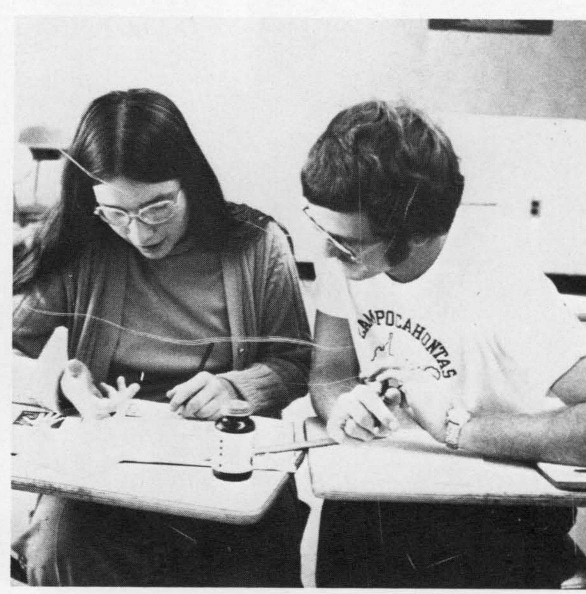

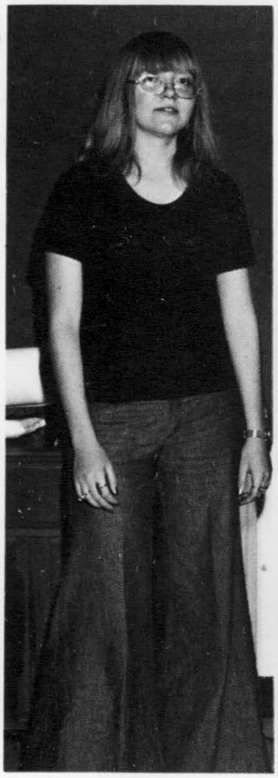

For hope shall brighten days to come, And memory gild the past!
Thomas Moore

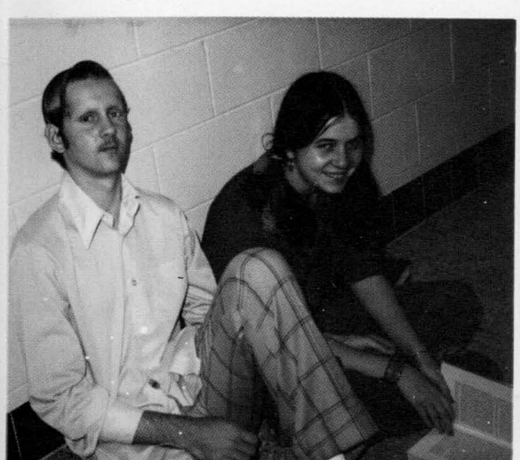

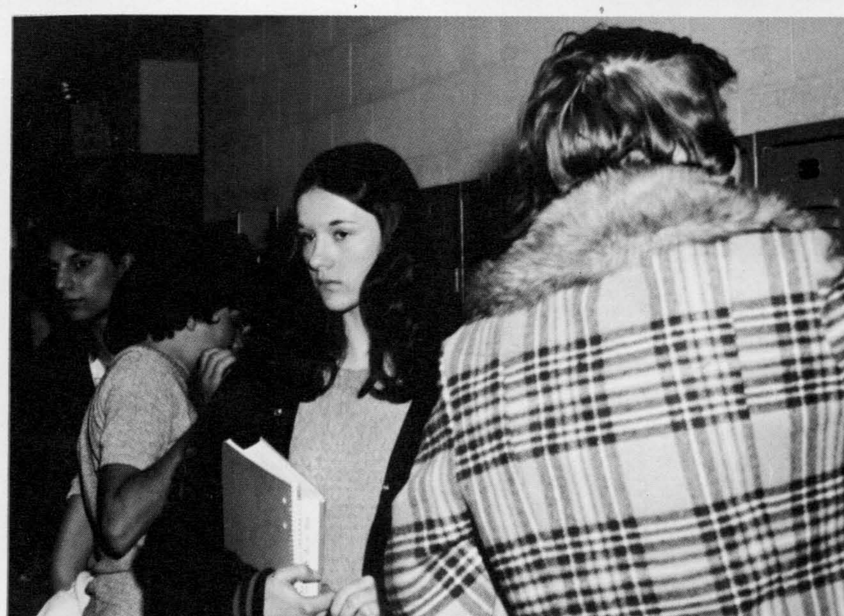

CHRISTMAS L

1975 WARRIOR THEME: MEMORIES OF THE PAST AND HOPES FOR THE FUTURE

AROUND AND AROUND

Around And Around

Time as I've known it, doesn't take much time
to pass by me.
Minutes into days, turn into months, turn into years,
they hurry by me.

Still I love to see the sun go down,
and the world go around.

Dreams full of promises, hopes for the future,
I've had many.
Dreams I can't remember now, hopes that I've forgotten,
faded memories.

Still I love to see the sun go down,
and the world go around.

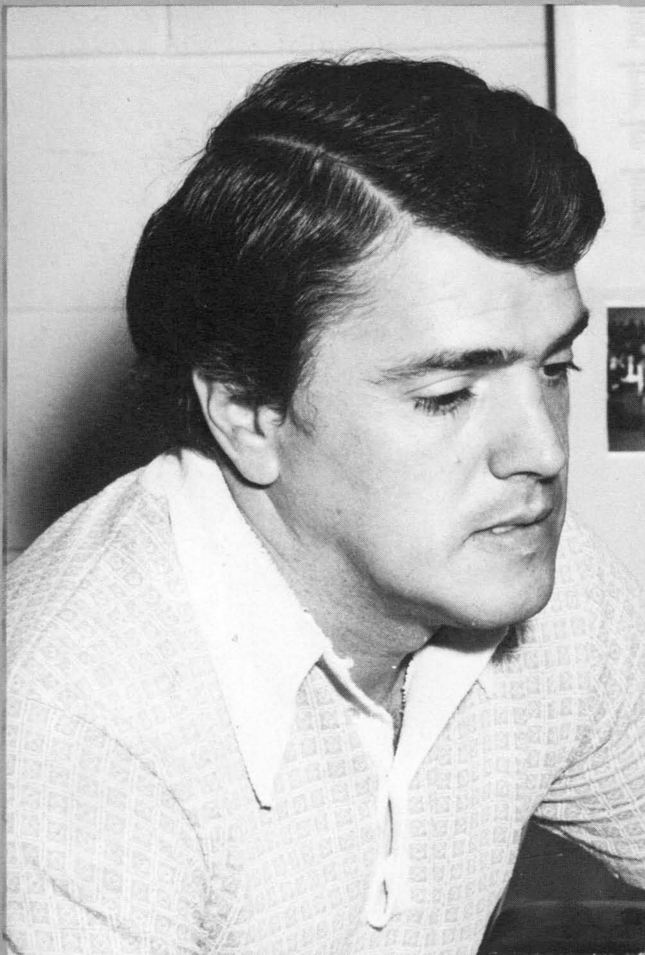

And I love to see the morning as it steals
across the sky.
I love to remember, and I love
to wonder why

And I hope that I'm around so I can be there
when I die, when I'm gone.

I hope that you will think of me, in moments you're
happy, and you're smiling.
That the thought will comfort you on cold and cloudy
days, if you're crying.

That you'll love to see the sun go down,
and the world go around,
and around
and around.

JOHN DENVER

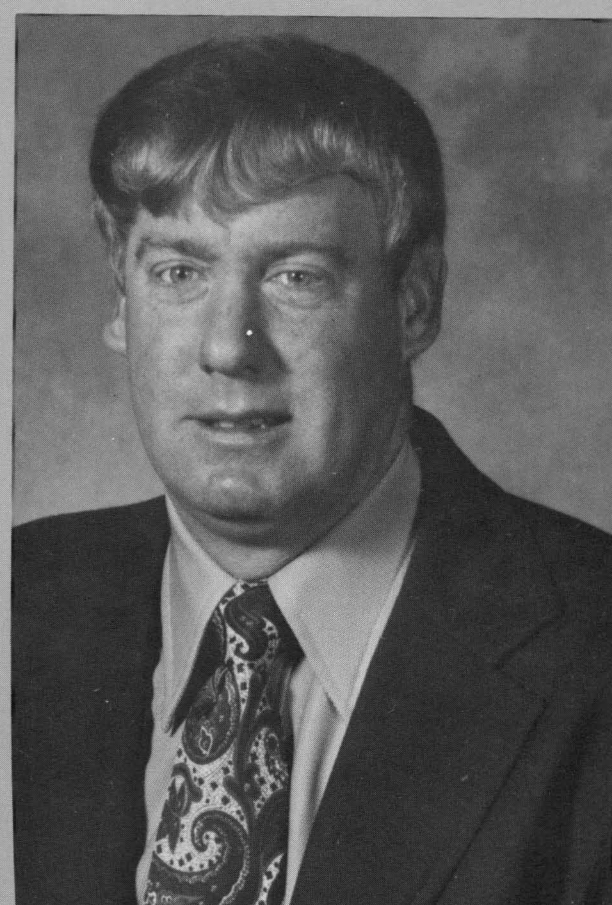

DEDICATION

In compliance with our theme for the yearbook, we would like to dedicate the 1975 Warrior to the two men, who in the history of Pocahontas County High School, have made our theme come alive.

Mr. Kenneth Vance

Mr. Fred Smith

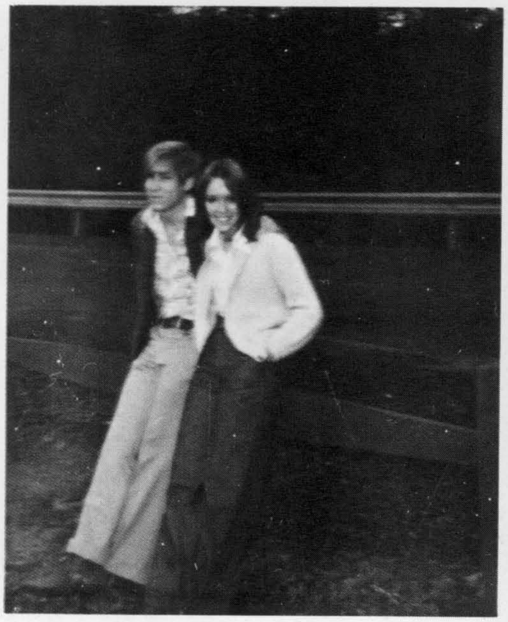

We therefore, in all sincerity, dedicate our finished work to Mr. Fred Smith, who has made our memories happy, and to Mr. Kenneth Vance, who makes our hopes promising.

The only limit to our realization of tomorrow will be our doubts of today. F.D.R.

TO ANY READER

As from the house your mother sees
You playing round the garden trees,
So you may see, if you will look
Through the windows of this book,
Another child, far, far away,
And in another garden, play.
But do not think you can at all,
By knocking on the window, call
That child to hear you. He intent
Is all on his play-business bent.
He does not hear; he will not look,
Nor yet be lured out of this book.
For, long ago, the truth to say,
He has grown up and gone away,
And it is but a child of air
That lingers in the garden there.

Robert Louis Stevenson

CURRICULUM

Science parasite study

Ricky Barkley and Scott Madron watch while Debbie Smith and Connie Grimes look through the microscope.

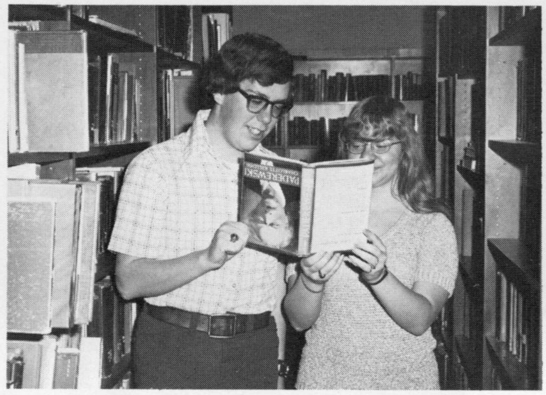

Biology students at PCHS were able to observe a team of veterinarians and wildlife biologists from the University of Georgia conduct a parasite study on two native game birds, grouse and woodcock. The study, which lasted a week, was conducted in the biology lab in the high school. Students observed and participated in necropsies of the birds in which both endo and ecto parasites were studied. Blood samples were also taken and studied. In observing the study, students could learn some of the practical applications of their biology studies. Also students became familiar with several career opportunities in biology.

Scott Madron watches while Dr. Sam Parsglove studies the microscope.

Senior

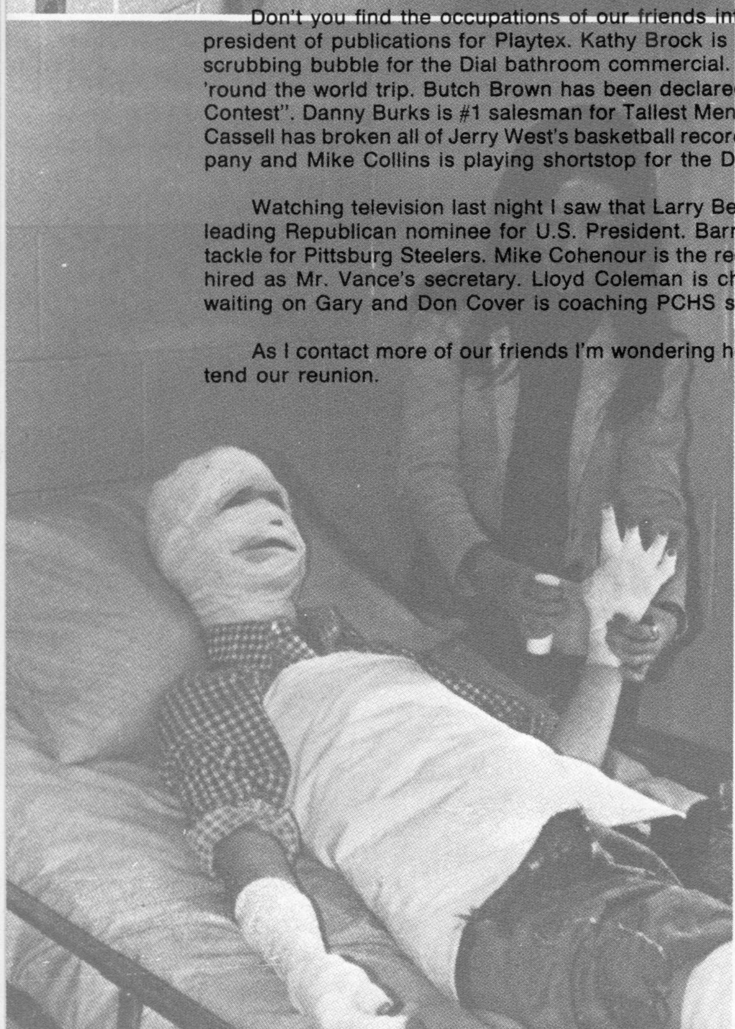

As the year 1985 approaches and I'm writing letters to the PCHS alumni of 1975 to invite them to our class reunion, I find that getting everyone's address is really a job and it's amazing to discover what my fellow classmates are now doing.

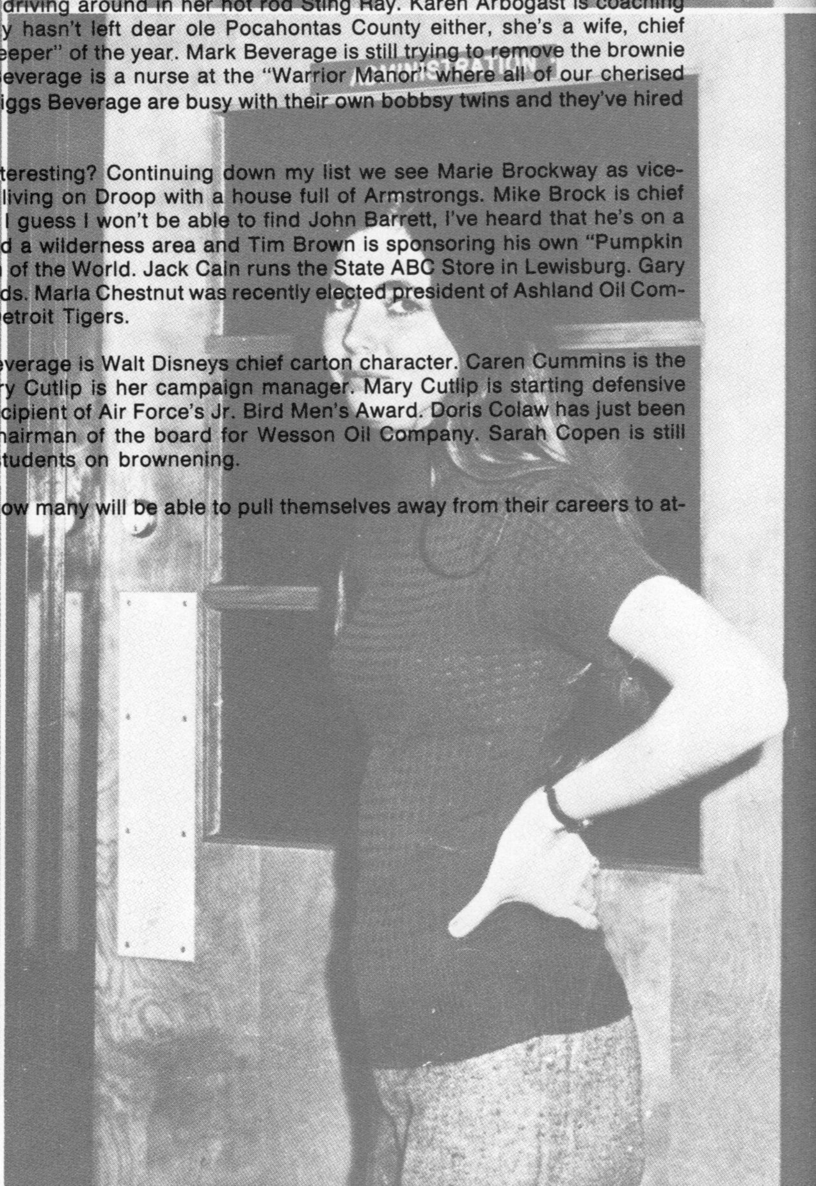

Going down my list I find that Donna Abdella is driving around in her hot rod Sting Ray. Karen Arbogast is coaching "Cass Naughty Angels" football team. Rose Barnisky hasn't left dear ole Pocahontas County either, she's a wife, chief bottlewasher and Pocahontas County's "Best Housekeeper" of the year. Mark Beverage is still trying to remove the brownie dust off his nose from his high school years. Mary Beverage is a nurse at the "Warrior Manor" where all of our cherised teachers are now residing. Patricia Biggs and Patsy Biggs Beverage are busy with their own bobbsy twins and they've hired Rosetta Kramer as their babysitter.

Don't you find the occupations of our friends interesting? Continuing down my list we see Marie Brockway as vice-president of publications for Playtex. Kathy Brock is living on Droop with a house full of Armstrongs. Mike Brock is chief scrubbing bubble for the Dial bathroom commercial. I guess I won't be able to find John Barrett, I've heard that he's on a 'round the world trip. Butch Brown has been declared a wilderness area and Tim Brown is sponsoring his own "Pumpkin Contest". Danny Burks is #1 salesman for Tallest Men of the World. Jack Cain runs the State ABC Store in Lewisburg. Gary Cassell has broken all of Jerry West's basketball records. Marla Chestnut was recently elected president of Ashland Oil Company and Mike Collins is playing shortstop for the Detroit Tigers.

Watching television last night I saw that Larry Beverage is Walt Disneys chief carton character. Caren Cummins is the leading Republican nominee for U.S. President. Barry Cutlip is her campaign manager. Mary Cutlip is starting defensive tackle for Pittsburg Steelers. Mike Cohenour is the recipient of Air Force's Jr. Bird Men's Award. Doris Colaw has just been hired as Mr. Vance's secretary. Lloyd Coleman is chairman of the board for Wesson Oil Company. Sarah Copen is still waiting on Gary and Don Cover is coaching PCHS students on brownening.

As I contact more of our friends I'm wondering how many will be able to pull themselves away from their careers to attend our reunion.

Vocational studies

Don McCoy came to PCHS to demonstrate hairdressing for Mrs. Howell's Introduction to Vocations Class.

A Welding student works on one of the class's projects.

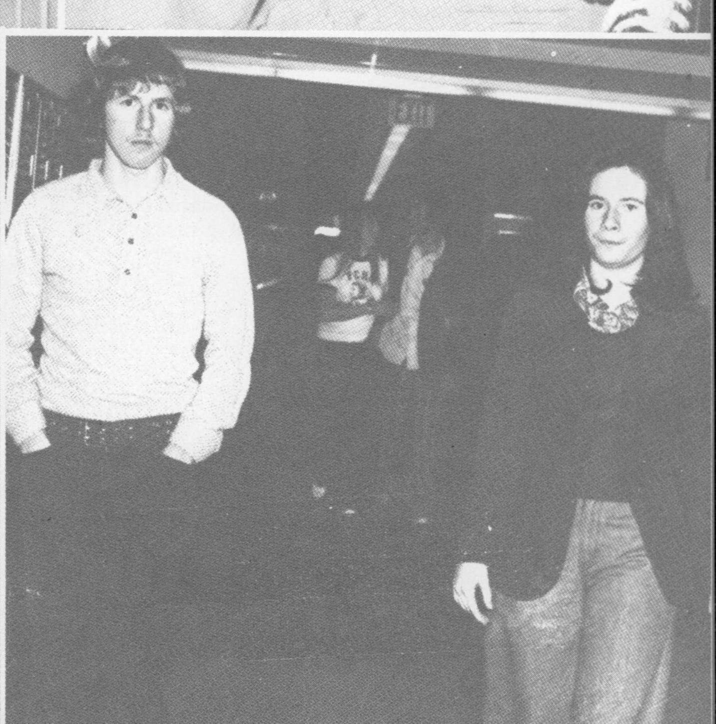

Prophecies

Nathalie Dolan has taken over Goldie Hawn's career. Cindy Doyle is playing guitar in Alan's band and Debra Eddy won the Dinah Shore Women's Golf Championship and collected her first million. Teresa Faulknier is still trying to find a way back to England while Annie Friel is slaving away for Joe and youngin'. Judy Friel and Yance Galford are co-owners of Marlinton's Yoga Club. Mike Meadows is employed by Table Washers Inc. and Mark Mitchell won "Worst Salesman of the Year", for Chevrolet. Matthew Myers is the local physician and Susan Nottingham is a fashion designer for Ladies Finest Wear. Melissa Rittenhouse is appearing in New York's Opera House. Caroline Rose has become the 2nd Fanny Fox. Peggy Rosencrance is playing trombone in an orchestra. Mike Scott runs "Scotty's Massage Parlor" and Susie Scott is his main customer. Rachael Sharp is Randy Sharps' nurse, since he needs one when he hurts himself welding. Barbara Shearer is working in the Tick-Tock Clock Factory. Nancy Simmons is still just "hangin in there" at Hillsboro.

Vocational studies

Some students at PCHS enjoy taking sewing classes. Among the classes taught are Home Ec. I, Home Ec. II, and Commercial Sewing.

A student in welding shows the correct welding procedure.

It's taken me 5 weeks to get in touch with our friends and there's still more to write; I wonder where I'll find them. Janie Strehlen operates a bulldozer for Mark Taylor who owns a heavy equipment plant in Dunmore. Patsy Triplett sells products for Avon and David Turner wires homes on Mars. Sheila Underwood owns her own bakery in Los Angeles. John Walls is holding a revival in the Grace Independent Baptist Church in Marlinton and he welcomes all to come. Kathy Valencia has painted a picture worth more than the Mona Lisa. Susan Friel runs the How to Laugh Successfully School in Homestead, FL. Dallas Vandevender owns a gas station in Frank. Jeannie Varner is a bookkeeper for a furniture store. Terry Varney is a dishwasher at the Hermitage. Sharon Matheny met up with Ringo Starr and now she's playing guitar in his band. Cheryl Wade found a diamond mine so now she's richer than Jackie Onassis, Paul White is the architect who designed the skyscraper in Marlinton. Kenneth Wilfong runs "Reds Copper Penny" game in Las Vegas. Kim Wilfong now plays the part of the bear on the Andy Williams Show. Bonnie Williams is married and has 12 children, she's hired Teresa Taylor as their "nanny". Wendy Wooddell is professor of Physics at UCLA. Gary Woods has been named mayor of Baltimore. Billy Adkinson is the fire chief in El Paso. Bob Bennett holds the record for killing the most number of deer in a year. Jay Marion runs a beauty salon in Arbovale. Well, that's it! Hope to see you all at our class reunion!!!
